

A promotional poster for the Liverpool International Beatleweek Festival 2022. The background features a clear blue sky with light clouds. In the foreground, four bronze statues of the Beatles (John, Paul, George, and Ringo) are shown in profile, facing right. Behind them are the ornate, classical-style buildings of Liverpool, including the Royal Liver Building with its iconic clock tower and the Cunard Building. A Union Jack flag is visible on a pole in the distance. The text is overlaid on the image in a clean, white, sans-serif font.

International Beatleweek 2022

Welcome to International Beatleweek 2022 and the biggest Beatles celebration ever. If you have never been before you are in for a treat, and if you have, welcome home!

For 7 days and 7 nights, the music of John, Paul, George and Ringo will ring out from every nook and cranny of the City. Seventy of the finest Beatles tribute bands and fans from all over the world will be here, in Liverpool, with one mission - The Beatles!

Beatleweek, now in its 36th year, will mark the anniversaries of the first ever Beatles live TV performance and the 50th anniversary of George Harrison's Concert for Bangladesh. It's been a very long 3 years since we were last able to see our international friends here in Liverpool. I'm sure we have all literally been counting down the days until we can see each other safely. Although nothing is ever certain in these current times, we cannot wait to see international bands and fans back in The Cavern, it simply doesn't feel the same without you all. We know for many of you it's your 'home from home' and we cannot wait to see you walk down those famous basement steps. We would also like to personally thank and reach out to everyone who has offered unwavering support towards Cavern City Tours across these last few years, your kindness and support has helped to keep us and all our resident musicians and staff going.

If this is your first time visiting you will be blown away. Prepare to make life long memories and friends forever. Don't forget, outside of all the great events we have lined up for you across Liverpool, there's also live music all day and night, every day in The Cavern Club and Pub throughout the week.

WEDNESDAY 24th AUGUST

The Beatles first ever TV performance was recorded 60 years ago this week on Wednesday 22nd August. Fittingly it was at The Cavern Club. It was actually their 218th appearance at The Cavern Club and the hype and hysteria of what they were achieving in their Liverpool home finally reached Manchester 30 miles away. Granada TV dispatched a crew to capture the excitement. Co-incidentally Ringo had just replaced Pete Best and a section of the audience were shouting "We want Pete!" Beatleweek officially begins this Wednesday and the fans this time will be chanting "we want to meet!" Hopefully with the pandemic under control we can all get back together to celebrate the world's undisputed greatest ever band.

The Beatles first time on TV

THURSDAY 25th AUGUST

Sixty years ago was arguably the most important year in the band's history. In early 1962 the band auditioned for Decca Records, who rejected them! Brian Epstein finally signed a contract with John, Paul, George and Ringo, the previous contract had been signed by John, Paul, George and Pete, but significantly not by Brian. Ringo of course replaced Pete and The Beatles first single, 'Love Me Do' was released.

The rest, they say is history. Let the Good Times roll as we get together to celebrate another Beatleweek full of fun, frolics and memories of the Fab Four, here in The Cavern Liverpool, "Where it all began".

International Beatleweek 2022

FRIDAY
26th AUGUST

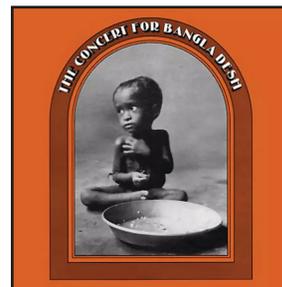

A warm **Welcome Back to Liverpool at Alma De Cuba.** The entertainment will be a mix of Liverpool and International artists. The outdoor patio stage

Alma de Cuba

will be taken over by local artists and yes, many of them will be our staff, just to highlight the unbelievable talent that exists in our city. Bill of course will sweep the stage at the end of the gig! Inside, the emphasis will be on the global phenomenon that is The Beatles and we aim to have bands from at least five continents providing the entertainment. Alma De Cuba has always been a fantastic venue for us to begin our weekend fun. A converted church, the ambience is amazing and the Bar and Restaurant have won many awards and accolades. We love it here!

In the evening, we at last get back to the **Philharmonic Hall** after two years of cancelled shows due to the pandemic. We'll be hosting an incredible celebration of John and George's music in this beautiful venue. We will honour the **50th Anniversary of the Bangladesh Concert** featuring Beatleweek legend and George's friend, **Joey Molland**. This will be followed by a performance from three of the musicians on John's last solo album (Double Fantasy) before his tragic demise. **Earl Slick, Andy Newmark and Tony Levin** had all been booked to perform in 2020 and 2021, but due to Covid it has proven impossible to get them all together in the UK at the same time. Third time lucky? We hope so and they hope so, as all three want to pay tribute to John in his own country and in particular his home city. All three of them were scheduled to play the UK (and Empire Liverpool) with John in early 1981, which would have been John's first visit home for ten years! It will be an historic, nostalgic and fitting tribute to John and Yoko, a Double Fantasy! Of course after that it is back to the five star award winning home of Beatleweek... **The Adelphi!**

SATURDAY
27th AUGUST

In the afternoon we head over to **The Philharmonic Hall** for a **celebration of Paul and Ringo**, as we honour their impressive and every increasing catalogue of music. After a Ringo

greatest hits set featuring **Mark Hudson** (who has worked with Ringo extensively), ex Wings stars **Steve Holley** and **Laurence Juber** will be joined by our very own **Tony Coburn**

Tony Coburn (Pure McCartney at Grand Central Hall)

Pepperland

to celebrate the career of Paul who will turn 80 in June. A great show and one that promises to be a highlight. How do you follow that up? Returning back to the **Philharmonic Hall** in the evening where our great friends and heroes **Pepperland** from Sweden and Beatleweek favourites **The Cavern Club Beatles** deliver a world class evening of all that is The Beatles. As usual the night doesn't end here as it's back to Waves Bar in the **Adelphi** into the wee small hours!

International Beatleweek 2022

SUNDAY
28th AUGUST

Convention Day! Established over fifty years ago it is the biggest and best Beatles Day in the world. The Beatles are 'Here, There and Everywhere'! An

amazing flea market with over one hundred stall holders selling everything a Beatles fan can possibly want or even need! Guest speakers who have first-hand knowledge of working with the guys in their musical careers and film shows, entertainment on four stages, artwork and of course thousands of like-minded people from typically over 40 countries. You will (if you haven't done so already) make friends for life. Is it a hectic, exciting, fun filled day packed with so much going on it is impossible to see it all. Fourteen hours of world class entertainment which ends at midnight, just in time for the first band to start the '**All Nighter**' in Waves Bar in the **Adelphi**, 'I'm so tired' even thinking about it, let alone singing about it! 'I think I'll fix myself another drink!'

Sunday Convention at The Adelphi Hotel

MONDAY
29th AUGUST

After the success of last years riverside gig at **The Yacht Club**, we have decided to return again, but with one huge improvement. On day 6 of Beatleweek a lot of our 'oldies but goldies' struggled with the half an hour walk

to the marina (albeit along the beautiful River Mersey). So this year we will provide a Magical Mystery Tour shuttle bus. The theme of the event is '**B side to Riverside**' (a nod to Linda!). The main stage will feature bands playing songs that were only B sides to the singles of The Beatles and John, Paul, George and Ringo's solo years. You will be amazed at how many instantly recognisable and world class songs this entails. Nobody else gets anywhere close and this event will ably demonstrate that. The highlight of Beatleweek for many of our loyal customers over the last two years has been the rooftop gig at the **Shankly Hotel** and it has been so memorable that we didn't

The Yacht Club

The Overtures

even contemplate an alternative venue. A truly world class setting deserves a truly world class act and as such we have invited **The Overtures** to top the bill. They are one of our absolute favourite bands of all time and it will be a fitting finale. Two great events in a day highlighting the beauty of Liverpool as a city with so much to offer. However as is the norm, it is back to the Adelphi for 'faux grass' and more fun at Waves Bar till the wee hours!

TUESDAY
30th AUGUST

'Yesterday and Today' was the title of one of The Beatles USA albums and we have borrowed the name for the final show of Beatleweek 2022. Over the last few years, we have been blown away by the talent of two particular young artists, solo artist **Logan Murphy** and local band '**Beatles Complete**' none of whom can even purchase a beer at the bar!! The rate at which they

have progressed is astonishing and it bears testimony to the longevity of the appeal of The Beatles. Long standing Beatleweek fans will have their own fantastic memories of some amazing bands and performers who have graced our stages and delivered memorable performances. To this end we have persuaded the one and only **Bob Bartey** and the legendary **Rick Alan** to perform at Beatleweek 2022. Both have been absolutely integral to the success of Beatleweek, and it is a pleasure for us to introduce the acts you have known all these years! Long time customers will also remember the Coustiks from the 1990s. Fresh faced teenagers who blew everybody away. They will join us for this fantatsic show.
